

WORD CURSES, VOWS AND JUDGMENTS WORKSHEET

Name: _____ Date: _____

1. **WORD CURSES** are spoken words intended to convey something bad (*misfortune, harm, injury, punishment, doom, evil, etc.*) on another person. Word curses can also be spoken/thought by the person about himself.
2. **VOWS** are strong statements made by an individual which express a determination to do or not to do, to be or not to be, something in particular. The words “I will never...” or “I will always...” are often used in vows.
3. **JUDGMENTS** are negative verdicts (*like a judge passing down a sentence*), decrees or conclusions against another person. Judgments can also be spoken/thought by a person about himself.

When a person receives a word curse, vow, or a judgment into his belief system it will cause him to think/feel negatively about himself thereby empowering him to fail.

Ask the Holy Spirit to bring back to your remembrance any word curse, vow and/or judgment spoken by others to you, from you to yourself, or from you to others – particularly ones relating to the reason(s) you are seeking ministry. Please write them below:
